

How to make a referral

Complete a medical admission form which can be downloaded from our website

<https://www.mtwilgaprivate.com.au/For-Health-Professionals/How-to-Refer-a-Patient>

Fax: (02) 9847 5096

Email: Referral.MWP@ramsayhealth.com.au

For further information or to make an enquiry,

Bed Manager

P: 0456 994 394

or via switchboard P: 9847 5000

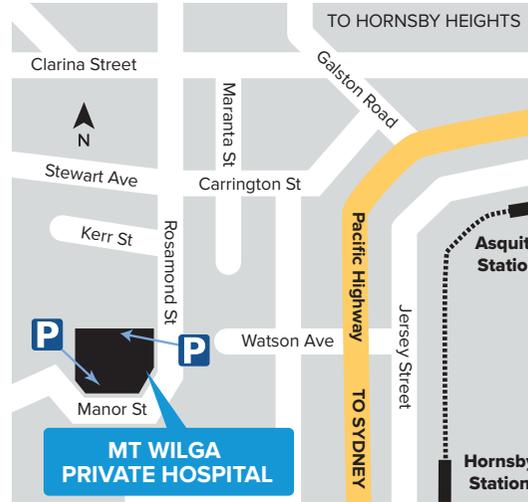

Once the referral has been received, the Bed Manager will liaise with the patient and complete health fund check.

The admitting Physician will discuss admission criteria and Care Plan.

Fees

Most patients with Private Health Insurance will be covered for all accommodation, doctors fees and investigations.

If there are any out of pocket fees you will be notified prior to admission.

Medical Admissions

Mt Wilga Private Hospital has been providing Sub-acute health services to Hornsby and surrounding suburbs for nearly 70 years.

Mt Wilga Private Hospital has established a Sub-Acute Medical Unit to provide health care (to persons over the age of 18) who are not severely ill but require comprehensive medical care for a primary diagnosis. Our clinical team will closely monitor for functional decline that may result due to the illness or injury and where appropriate transfer the patient to rehabilitation services.

An admitting Physician will be available to discuss the clinical requirements of the patient and assess suitability for admission to Mt Wilga Private.

Referrals are accepted for:

- Sub-acute, i.e., Non-critically ill / injured patients, who have a clear diagnosis and where symptoms may not necessarily meet the criteria for an acute care admission;
- Community presentations to the GP/Medical centre which do not require emergency / acute care;
- Patients that have presented to ED/GP acute care that require conservative treatment options;
- Residents of aged care facilities

Mt Wilga Private Hospital has available specialists for a Multidisciplinary team approach, including;

- Specialist Doctor consults including
 - Geriatrician
 - Rehabilitation Physician
 - Pain Management Specialist
 - Psychiatrist

Other medical specialists are available for onsite consultation according to patients requirements.

- CMO onsite 7 days and on call after hours
- 24-hour nursing care
- Wound Management Specialist
- Allied Health consultation
 - Physiotherapist
 - Occupational therapist
 - Exercise Physiologist
 - Speech Therapist
 - Dietitian
 - Psychologist
 - Lymphoedema Therapist
- Dietary requirements: All meals prepared onsite by our chef and can accommodate special diets and/or modified textures
- Pathology Collection
- Non critical Radiology
- Single private room with own ensuite
- Gardens and outdoor/indoor dining area, surrounded by natural bushland
- Self-serve laundry facilities
- Free parking

Examples of appropriate referrals may be patients requiring the following;

- IV Therapy:
 - Fluid
 - Antibiotics
 - Blood/Blood product transfusions
- Symptom management for Chronic Disease
- Nasogastric (NG), Percutaneous Endoscopic Gastrostomy (PEG), Indwelling catheter (IDC), Super Pubic Catheter (SPC) Management
- Wound Care Management
- Pain management
- Medication review and rationalisation

Exclusion criteria

- Length of stay requiring more than 2 weeks
- Mental Health services
- Drug and alcohol services
- Behaviour modifications
- Urgent Radiology, procedures, Investigations for pathology
- Patients requiring one to one specialising
- Known wandering patients
- Terminal Care
